

## **EXHIBIT F**

The screenshot displays the PIVOTAL software interface, which is used for managing legal cases. The main window is divided into several sections:

- Top Bar:** Contains navigation icons and a search bar.
- Left Panel:** A sidebar with icons for various functions like 'Quick Find', 'View', 'Recent', and 'My Materials'.
- Main Window:**
  - Search by:** A dropdown menu set to 'Main ID'.
  - Client List:** A table with columns for 'Client ID', 'Client Name', 'Area of Law', 'Matter Type', 'Docket Date', 'Status', and 'Status Date'. The table lists several cases, including 'P1326' and 'P1325'.
  - Case Details:** A detailed view of a specific case, showing 'Matter ID', 'Client ID', 'Client Name', 'Area of Law', 'Matter Type', 'Docket Date', 'Status', and 'Status Date'. It also includes a 'Case Description' and a 'Case History' section.
- Right Panel:** A sidebar with icons for 'Quick Find', 'View', 'Recent', and 'My Materials'.
- Bottom Panel:** A section for 'Case History' and 'Case Details'.

The interface is designed to provide a comprehensive overview of legal cases and their associated documents and actions.
